§ 207.30 Comment on information.

(a) In any final phase of an investigation under section 705 or section 735 of the Act, the Commission shall specify a date on which it will disclose to all parties to the investigation all information it has obtained on which the parties have not previously had an opportunity to comment. Any such information that is business proprietary information will be released to persons authorized to obtain such information pursuant to § 207.7. The date on which disclosure is made will occur after the filing of posthearing briefs pursuant to § 207.25.

(b) The parties shall have an opportunity to file comments on any information disclosed to them after they have filed their posthearing brief pursuant to § 207.25. A comment shall be filed electronically, and nine (9) true paper copies shall be submitted on the same business day. Comments shall only concern such information, and shall not exceed 15 pages of textual material, double-spaced and single-sided, when printed out on paper measuring 8.5 × 11 inches. A comment may address the accuracy, reliability, or probative value of such information by reference to information elsewhere in the record, in which case the comment shall identify where in the record such information is found. Comments containing new factual information shall be disregarded. The date on which such comments must be filed will be specified by the Commission when it specifies the time that information will be disclosed pursuant to paragraph (a) of this section. The record shall close on the date such comments are due, except with respect to investigations subject to the provisions of section 771(7)(G)(iii) of the Act, and with respect to changes in bracketing of business proprietary in-

formation in the comments permitted by § 207.3(c).

§ 207.40 Termination and suspension of investigation.

(a) An investigation under title VII may be terminated by the Commission by giving notice in the FEDERAL REGISTER to all parties to the investigation, upon withdrawal of the petition by the petitioner, or upon issuance of a final negative determination or termination of its investigation by the administering authority under section 303, 705 or 735 of the Act. The Commission may not terminate an investigation upon withdrawal of the petition by the petitioner, however, before a determination is made by the administering authority under section 702(c), 703(b), 732(c) or 733(b) of the Act.

(b) Upon receipt of notice of suspension of an investigation by the administering authority under section 704 (b) or (c) or 734(b), (c), or (1), of the Act, the Secretary shall issue a notice of suspension of the Commission investigation. Such suspension shall not prevent the Director from conducting such other investigative activities as he deems appropriate with respect to the subject matter of the suspended investigation.

(c) *Resumption of suspended investigation*—(1) *Purpose*. If the administering authority determines pursuant to section 704(i) or 734(i) of the Act to resume a suspended investigation and so notifies the Commission of its determination, and in the event that the suspended investigation was not terminated, the Commission shall resume the investigation.
